ABOUT JUNCKERS

Junckers is Europe's leading solid wood flooring manufacturer. The company has deep roots tracing back to its establishment in 1930 by founder, Flemming Juncker. A visionary and dedicated forester, Flemming Juncker possessed a profound sympathy and understanding for what is today referred to as the circular economy. He advocated a sustainable approach to wood flooring, aiming to utilize every part of the tree. This vision remains integral to Junckers today through its incorporated philosophy: **Join the Collab with Nature.**

When developing woodcare products, Junckers does so with a deep understanding of the requirements for both quality and environmental considerations. The company believes that lacquers, oils, and cleaning products play a crucial role in maintaining the beauty of wood products while extending their lifespan. At the factory in Denmark, a dedicated team of experts meticulously monitors the daily production, providing unparalleled insights into the functionality of wood flooring and an understanding of the challenges that any project may present.

The close connection to production enables Junckers to create solutions that meet the specific needs and requirements of customers within the sports, commercial, and residential segments.

Successful projects require a reliable partner from start to finish. Junckers is committed to being a reliable and professional partner, working side-by-side with customers from project planning to execution and subsequent maintenance.

Experience has shown that this approach is crucial to offering sustainable-minded solutions that last for decades – making the company a preferred choice for professionals working on project sales worldwide.

With a global presence, facilitated through seven sales offices and an extensive network of dealers and agents, Junckers has branched out across the world. The company delivers their products to more than 45 countries worldwide.

Choose Junckers for products that meet the highest standards and join the company and its philosophy of collaborating with nature.

A WIDE PRODUCT RANGE

Solid wood floors create elegant harmony and are stylish and distinctive at the same time. At Junckers, you'll find a wide range of wood species, floor types, colors and textures to ensure, that you'll always find something to suit your taste.

UNDERFLOOR HEATING

At Junckers we have extensive expertise in flooring solutions that work in conjunction with underfloor heating and guarantee that our wood floors can be installed on top of both electric and hydronic underfloor heating systems.

INSTALLATION

A Junckers wood floor can be installed in three different ways, depending on the type of floor, subfloor and installation height. You can choose between mounting brackets, full gluing or a construction where the floor is nailing the floor to joists or a wood-based subfloor.

SURFACE TREATMENT

Junckers wood floors are delivered finished with oil or lacquer, ready for use. Alternatively, you can choose an untreated floor if you prefer to surface treat it yourself.

CLIMATE CONSIDERATIONS - A CENTRAL PART OF OUR BUSINESS

- We offer wood flooring from sustainable forestry - certified according to FSC® or PEFC. FSC® or PEFC.
- The air quality where you live is where you spend time is important. We have a wide range of Indeklima-labeled flooring and wood care products.
- Signed up to the UN Global Compact
- Signed up to the Science Based Targets initiative (SBTi).
- Environmentally certified according to ISO 14001
- Energy certified according to ISO 50001
- All our wood floors are CE marked

2 STRIP

Floor design based on individually selected solid wood strips.
Authentic and with a unique look.

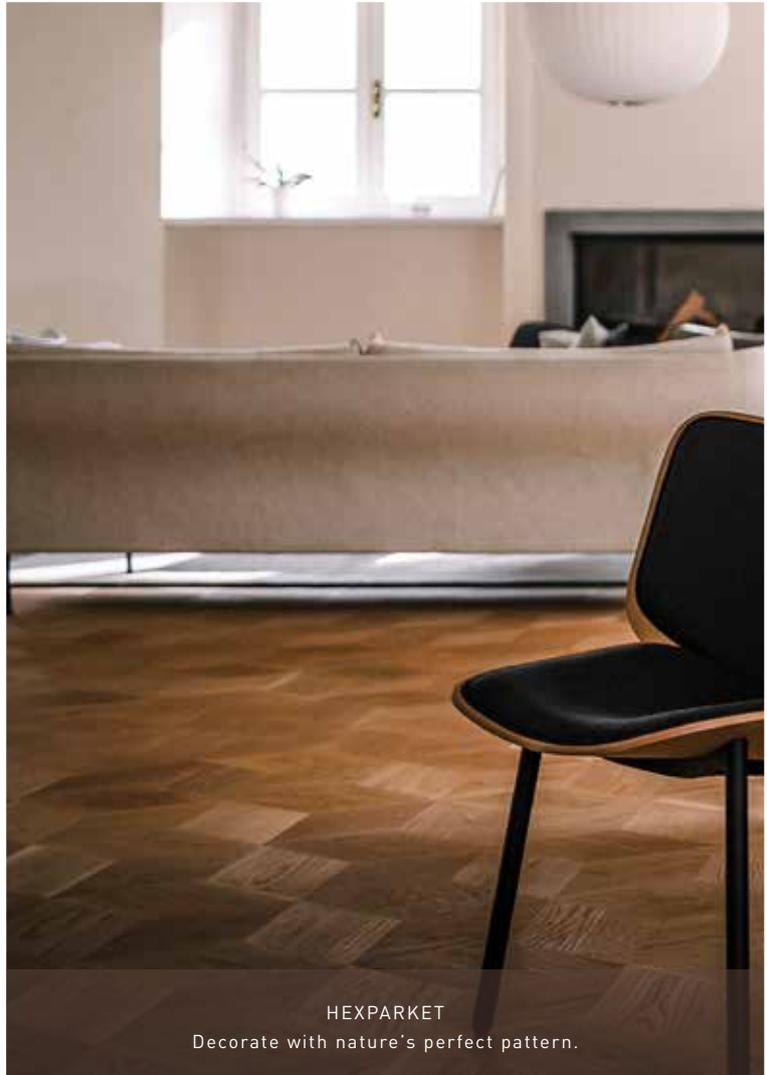

PLANK

Designed from a single piece of solid wood.
Stylish and timeless look.

HERRINGBONE

Gives any room an exclusive and elegant look.

HEXPARKET

Decorate with nature's perfect pattern.

2 STRIP WOODEN FLOORING

UP TO THREE DIFFERENT STYLES

CLASSIC:

Uniform look with very little colour and structural graining variation.

HARMONY:

Natural look with a more natural range of colour and structural graining variation.

VARIATION:

A rustic look with substantial colour and graining variation.

BEECH

Thickness: 9/16" & 7/8"

Width: 5"

Surface: Clear oil, Ultra matte & Silk Matte urethane

Beech is Junckers' hallmark floor, a honored Scandinavian species with a minimal graining pattern. Our unique technology that creates our press dried beech makes this floor harder than maple.

BEECH NORDIC

Thickness: 9/16" & 7/8"

Width: 5"

Surface: Ultra matte urethane

A Beech floor board with a white toned surface. Adds a light Scandinavian touch to the floor.

BEECH SYLVAKET

Thickness: 9/16" & 7/8"

Width: 5"

Surface: Clear oil, Ultra matte & Silk Matte urethane

A Beech floor board colored through. Can be sanded without loss of color. Adds a warm golden glow to the floor.

BEECH SYLVAKET NORDIC

Thickness: 9/16" & 7/8"

Width: 5"

Surface: Ultra matte urethane

A beech floor board colored through in combination with a white toned surface. An appearance very similar to Oak.

BEECH SYLVARED

Thickness: 9/16" & 7/8"

Width: 5"

Surface: Ultra matte & Silk Matte urethane

A Beech floor board colored through its full thickness in combination with a warm red stain. An interesting alternative to exotic wood species like Merbau and Mahogany.

OAK

Thickness: 9/16" & 7/8"

Width: 5"

Surface: Clear oil, Ultra matte & Silk Matte urethane

A floor board with a warm and golden glow and an interesting grain structure.

Natural ageing gives the wood an authentic appearance.

OAK NORDIC

Thickness: 9/16" & 7/8"

Width: 5"

Surface: Ultra matte urethane

An Oak floor board with a white toned surface.

Adds a light Scandinavian touch to the floor.

ASH

Thickness: 7/8"

Width: 5"

Surface: Clear oil, Ultra Matte & Silk Matte urethane

A floor board with an elegant, light appearance combined with a characteristic dark grain pattern.

Over time, the natural aging gives Ash a warm and golden glow.

ASH NORDIC

Thickness: 7/8"

Width: 5"

Surface: Ultra Matte urethane

An Ash floor board with a white toned surface.

Adds a light Scandinavian touch to the floor.

BLACK OAK

Thickness: 9/16" & 7/8"

Width: 5"

Surface: Clear oil & Ultra matte urethane

An Oak floor board colored through. Can be sanded without loss of color.

Adds a very dark appearance similar to Oak preserved in a bog for centuries.

Refresh with Junckers Maintenance Oil right after installation.

Transportation and handling of the floorboards on site can cause a slightly worn appearance.

PLANK COLLECTION

UP TO THREE DIFFERENT STYLES

CLASSIC:

Uniform look with very little colour and structural graining variation.

HARMONY:

Natural look with a more natural range of colour and structural graining variation.

VARIATION:

A rustic look with substantial colour and graining variation.

5/8" OAK

Thickness x width: 5/8" x 5"

Surface: Clear oil, Ultra matte & Silk Matte urethane

A floor board with a warm and golden glow and an interesting grain structure. Natural aging gives the wood an authentic appearance.

3/4" OAK

Thickness x width: 3/4" x 5 1/2"

Surface: Clear oil, Ultra matte & Silk Matte urethane

A floor board with a warm and golden glow and an interesting grain structure. Natural aging gives the wood an authentic appearance.

5/8" OAK NORDIC

Thickness x width: 5/8" x 5"

Surface: Ultra matte urethane

An Oak floor board with a white toned surface. Adds a light Scandinavian touch to the floor.

3/4" MM OAK NORDIC

Transportation and handling of the floorboards on site can cause a slightly worn appearance.

OAK GOLDEN PEARL

TEXTURED AND COLOURED PLANK FLOORS

Junckers textured oak floors have a distinct surface created by a special brushing technique. By removing the softer sapwood from the upper surface of the wood, the tougher and darker heartwood is raised, showing off the lively grain structure in a silky-soft surface.

The addition of a surface colour and a beautiful tactile surface texture combine to make the ultimate floor with unique style and personality.

DRIFTWOOD GREY

Oak plank Harmony

Thickness: 3/4"

Width: 5 1/2" and 7 3/8"

TRADITIONAL PATTERNS

HERRINGBONE FLOORING - SINGLE STAVES AND PLANKS

Wooden floors in geometric pattern, tell stories of castles, classical mansions, galleries and museums. The aesthetics and timeless elegance of a herringbone floor is unique and this is why it forms a key design element in heritage, period and contemporary architecture.

Tongued and grooved single staves or planks. Can be installed in numerous patterns.

OAK SINGLE STAVES

SINGLE STAVES

Oak

Thickness x width x length: 5/8" x 2 11/16" x 16"

Surface: Untreated to be sealed on site

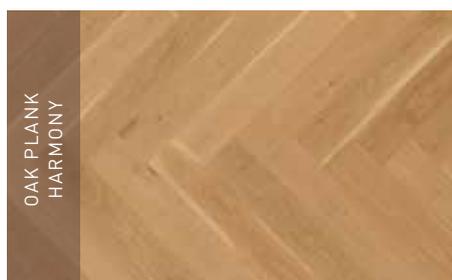

SINGLE STAVES - PLANKS

Thickness x width x length:

3/4" x 5.5" x 27.5"

5/8" x 5" x 30.5"

Surface: The floor is delivered surface treated from factory and is available in the exact same variety of surfaces as Junckers Plank Flooring.

*Refresh with Junckers Maintenance Oil right after installation.
Transportation and handling of the floorboards on site can cause a slightly worn appearance.*

HEXPARKET

Shapes and patterns in nature have a great impact on architecture and interior design. We let ourselves be inspired and the hexagon - a pattern based on equilateral triangles - is just one of several basic geometric patterns emerged by forces of nature and basic mathematics. Just take a look at a beehive, snow crystals or the shape of certain flowers.

OAK

Thickness: 3/4"
